

# TECHNICAL ADVISORY COMMITTEE MEETING #1

March 8, 2022, 11:00a.m. – 12:30p.m., via Teams

## Meeting Objective

To reintroduce the project and technical stakeholders, discuss the project vision, review map studies and other data, and discuss draft purpose and need statement.

## Agenda

- 11:00 Welcome, team introductions, agenda outline
- 11:05 Roll call and brief introductions: what organizations are present, who is representing them, what is their involvement in the project
- 11:20 Project reintroduction: project vision, purpose of the PEL, significance of the P&N Statement, project schedule (including OH1 save-the-date), how does this meeting tie into the open house
- 11:35 Project area and existing conditions (environmental baseline research, draft traffic forecast, origin/destination study, maps studies)
- 11:50 What is a Purpose and Need statement and why is it important?
- 11:55 Moderated discussion in 3 break out rooms: Draft P&N (where, what, why, how)
- 12:15 Return to larger group for discussion
- 12:25 Wrap up, action items, next steps
