

PUBLIC OPEN HOUSE NO.2

Thursday, December 8, 2022 | 4:30-6:30 PM

The Alaska Department of Transportation and Public Facilities (DOT&PF) invites you to a Public Open House for the Parks Highway Alternative Corridor Planning and Environmental Linkages (PEL) Study.

Due to sustained population growth in the Mat-Su Valley, congestion along the city's main corridor, the Parks Highway, creates significant traffic delays during peak periods. As a result, DOT&PF has identified the need for a future alternative highway corridor in the Wasilla area.

Come and learn more about the:

- PEL Study progress
- Preliminary corridor alternatives
- Alternative screening and evaluation process

This is the second of four open house meetings planned during the PEL Study.
